

# Temple Emanuel Covid-19 Gathering Requirements

Face Coverings are required. You must cover your nose and mouth.

---

---

## Maintain Social Distancing

Do not congregate before, during or after the event in the parking lot or assembly area.

---

---

## Health Symptoms Precluding Attendance at Indoor or Outdoor Temple Emanuel Events

In view of the current situation with Covid-19, Temple Emanuel has put in place a set of guidelines that are designed to maximize the protection of congregants and are consistent with the most current scientific and medical knowledge regarding the virus.

To ensure the safety and welfare of all congregants, it is imperative that individuals follow the restrictions on attendance as outlined below.

**If you have any of the following symptoms, you should NOT attend any indoor or outdoor temple event:**

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- New loss of taste or smell
- Nausea or vomiting
- Diarrhea<sup>x</sup>
- Muscle or body aches<sup>x</sup>
- Headache<sup>x</sup>
- Sore throat<sup>x</sup>
- Congestion or runny nose<sup>x</sup>

Although symptoms marked with an 'X' may individually occur as a result of a non-Covid 19 infection or other medical issue, we must assume that they are Covid 19-related, given the prevalence of these symptoms in Covid-19-positive individuals.

---

---

**If you have questions about any of these requirements, please email Dr. Steve Mizel [smizel@wakehealth.edu](mailto:smizel@wakehealth.edu), with the subject line "Covid-19 Question"**
