

YIZKOR 5782

Yom Kippur, Shemini Atzeret, Pesach, Shavuot

There are stars whose light reaches the earth only after they themselves have disintegrated. And there are individuals whose memory lights the world after they have passed from it. These lights shine in the darkest night and illumine for us the path...

Hannah Szenes

כִּי בַזְכוּרָה סוּד גְּאוּלָּה.

For in remembrance
is the secret to redemption.

-Ba'al Shem Tov
