Celebrating **RABBI MARK** AND 21 YEARS AT TEMPLE EMANUEL

For the past 21 years, Rabbi Mark Cohn has led countless worship services, learning experiences, and other important moments for our congregation and larger community. Tonight, as part of honoring him, he has asked us to join in simply celebrating Shabbat, with all the honor and joy inherent in this day that is holy as a part of the Creation. Yoel Sykes will serve as our leader, with a full circle of “Levites,” including our Cantorial Soloist, Jason McKinney, and of course, our rabbi. Our chance for toasts and tributes will come during the Saturday evening party. Shabbat Shalom - may it be a shabbat with much peace!
